## I. LEGAL / RULES FRAMEWORK FOR THE REMOTE SESSION

The Bureau notes that at its last meeting held on 24 February 2021 the Standing Committee approved the *Provisional Rules for Emergency Situations / Online Meetings During the Current Covid 19 Pandemic* (attached in Annex 1).

On 2 April, following a silence procedure, the Standing Committee declared an emergency situation and thereby canceled the 2021 Annual Session (attached in Annex 2).

With the official cancellation of the 29<sup>th</sup> Annual Session of the OSCE PA (initially scheduled for 7-11 July in Bucharest) due to the COVID-19 pandemic, **Article 2 b bb** of the above-mentioned rules establishing the legal framework for the holding of a Remote Session applies, and a Remote Session of the OSCE Parliamentary Assembly will be held in July 2021.

Regarding the election of Assembly and Committee Officers as well as the conduct and decision-making of the various meetings of the bodies of the Parliamentary Assembly, the Assembly's Rules of Procedure will apply to the extent not altered by the emergency rules. They will be detailed out and implemented through decisions of the OSCE PA Bureau as follows:

### The Remote Session will consist of:

1. Meetings of the three General Committees
2. Meeting of the Standing Committee
3. One Plenary Session

### The Agenda of the Remote Session will consist of:

1. Reports
2. Topical debates
3. Election of Assembly and Committee Officers
4. Other decisions shall be limited to:
  - 4.1. Administrative Issues
  - 4.2. Questions of Urgency (*Rule 26 in connection with Art. 2 b bb of the Provisional Rules*)

The Agendas of the meetings of the Plenary, Standing Committee, and General Committees will reflect the above

## II. POSSIBLE SCENARIOS / REMOTE SESSION

As of April 19, Two scenarios are contemplated for the 2021 Remote Session of the OSCE PA:

**Scenario 1:**

Fully virtual Meeting / no in-person meeting of any kind.

**Scenario 2:**

The Remote Session will be hybrid, including an in-person meeting and presence of the Standing Committee in Vienna during the last two days of the Remote Session: 05-06 July 2021.

Based on the feedback received from Delegations and the access regulations of Austria – the Bureau will decide on the final scenario at a meeting on **10 June**.

*Scenario 2* can be reverted to Scenario 1 at any time after the 10 June deadline in case of major changes in the access regulations of Austria/Vienna.

## **IV. ELECTION OF ASSEMBLY OFFICERS**

In accordance with Rule 4, paragraph 1 of the Assembly's Rules of Procedure, the Officers of the Assembly shall consist of the President, nine Vice-Presidents, and the Treasurer.

Given that elections for Vice-Presidents could not be held in 2020 – and based on the Provisional Rules for Emergency Situations – the Bureau agreed at its meeting of 26 January to hold elections for both the 2020 and 2021 terms this coming July. In a process already established in our Rules of Procedure (Rule 5, paragraph 7), the three candidates that receive the highest number of votes would be elected for three years, and the next three for two years to complete the mandates of the elections that were unable to be held in 2020 due to the cancellation of the Annual Session.

In addition, two additional vacancies occurred during last year as two Vice-Presidents ceased to be Members of the Assembly, meaning that there will also be elections for 2 Vice-Presidents to complete the respective one-year mandates.

At the 2021 Remote Session, the Assembly will therefore elect a President, eight Vice-Presidents, and a Treasurer as follows:

### **President of the Parliamentary Assembly**

The President will be elected for a period of one year, until the closure of the 2022 Annual Session (Rule 4, paragraph 6). The President may be re-elected only once to the same office (Rule 5, paragraph 6).

In accordance with Rule 5, paragraph 1, the President shall be elected by secret ballot and each Member entitled to vote may cast one vote. If, on the first ballot, no candidate has obtained an absolute majority of the votes cast, a second ballot shall be held between the two candidates who obtain the most votes in the first ballot. The candidate who, on the second ballot, obtains the most votes shall be elected. In the event of a tie, the issue shall be decided by lot.

Mr. George TSERETELI (Georgia) was elected President in Berlin in 2018 for a one-year term and reelected in Luxembourg in 2019 for a second one-year term. Mr. Tsereteli is no longer a Member of the Assembly.

Mr. Peter BOWNESS (United Kingdom), the longest-serving Vice-President, is currently serving as President until July 2021. **There will be an election for President in July of 2021** for a regular mandate of one year, renewable once.

## **Vice-Presidents of the Parliamentary Assembly**

Vice-Presidents may be re-elected once to the same office (Rule 5, paragraph 6). A Vice-President who has served less than two three-year terms is eligible for re-election (Rule 5, paragraph 7).

In the Remote 2021 Session there will be elections for three Vice-Presidents who will serve for three years until the end of the 2024 Annual Session, for three Vice-President who will serve for two years until the end of the 2023 Annual Session, and for two Vice-Presidents who will serve for one year until the end of the 2022 Annual Session.

- **Mr. Roger WICKER** (USA), elected Vice-President in 2017 in Minsk for a three-year mandate which expired in 2020, is eligible for re-election as Vice-President.
- **Ms. Margareta CEDERFELT** (Sweden), elected Vice-President in 2017 in Minsk for a three-year mandate which expired in 2020, is eligible for re-election as Vice-President.
- **Mr. Pascal ALLIZARD** (France), elected Vice-President in 2018 in Berlin for a two-year mandate which expired in 2020, is eligible for re-election as Vice-President.
- **Peter Lord BOWNESS** (United Kingdom), elected Vice-President in 2015 in Helsinki and re-elected Vice-President in Berlin for a three-year mandate which expires in 2021, is not eligible for re-election as Vice-President.
- **Ms. Kari HENRIKSEN** (Norway), elected Vice-President in 2018 in Berlin for a three-year mandate which expires in 2021, is eligible for re-election as Vice-President.
- **Mr. Kristian VIGENIN** (Bulgaria), elected Vice-President in 2018 in Berlin for a three-year mandate which expires in 2021, is eligible for re-election as Vice-President.
- **Mr. Victor Paul DOBRE** (Romania), elected Vice-President in 2016 in Tbilisi for a one-year mandate, re-elected in 2017 in Minsk for a two-year mandate, and re-elected in 2019 in Luxembourg for a three-year mandate, is no longer a Member of the Assembly. This mandate concludes in 2022.
- **Ms. Nilza DE SENA** (Portugal) elected Vice-President in 2019 in Luxembourg for a three-year mandate, is no longer a Member of the Assembly. This mandate concludes in 2022.

The Assembly will vote on all eight positions of Vice-President simultaneously. In accordance with Rule 7, paragraph 7: the three candidates obtaining the greatest number of votes will serve for three years until the end of the 2024 Annual Session. The three candidates obtaining the next highest number of votes will serve for two years until the end of the 2023 Annual Session. Lastly, the two candidates receiving the next highest number of votes will serve for one year until the end of the 2022 Annual Session.

## **Treasurer of the Parliamentary Assembly**

In 2021, there will be an election for Treasurer.

The Treasurer shall hold office from the close of the Annual Session in which he or she is elected to the close of the second Annual Session thereafter (Rule 4, paragraph 8). The Treasurer may be re-elected twice to the same office (Rule 5, paragraph 6).

- **Mr. Peter JUEL-JENSEN** (Denmark), elected Treasurer in 2019 in Luxembourg for a two-year term, is eligible for re-election as Treasurer in 2021.

### **ELECTION / VOTING PROCEDURE:**

The election of Assembly Officers will be carried out on a secure online electronic voting platform. It is foreseen to take place over a 24-hour period from 5 July to 6 July. Detailed information will be communicated in due time.

### **PRESENTATION OF CANDIDATURES:**

In accordance with Rule 4, paragraph 5: Candidates for the offices of President, Vice-President or Treasurer must be sponsored in writing by twenty-five or more Members and their candidatures verified by the Bureau, prior to submission to the Assembly,

Templates for the sponsoring and presentation of candidates are attached (Annex 3). Such forms must be returned to the International Secretariat at [tableoffice@oscepa.dk](mailto:tableoffice@oscepa.dk) by 07 June – the Bureau will verify the candidatures on 10 June.

Please note that signatures / signature forms sponsoring candidates will only be considered if submitted to the indicated email address: [tableoffice@oscepa.dk](mailto:tableoffice@oscepa.dk)

\*\*\*

## **V. GENERAL COMMITTEES**

### **Meetings of the Three General Committees of the Assembly:**

Each of the Assembly's three General Committees will meet as part of the Remote Session at a date to be determined in late June. General Committees will debate the reports presented by each of the General Committee's Rapporteurs.

### **ELECTION OF COMMITTEE OFFICERS**

In accordance with Rule 36, Paragraph 5, General Committees shall elect a Chair, Vice-Chair and a General Rapporteur at the close of the sitting at each Annual Session for the following year.

At the 2021 Remote Session there will therefore be election of the three Officers in each of the General Committees.

**Procedure and time-table:** In accordance with the Rules (Rule 36, Paragraph 5) candidates must be sponsored in writing. Candidates do **not** require other members to nominate them but may obtain signatures from other members if they wish.

Template for the sponsoring and presentation of candidates is attached (Annex 3). **Such form must be returned to the International Secretariat at email: [tableoffice@oscepa.dk](mailto:tableoffice@oscepa.dk) by 7 June.** The election of Committee Officers will be held following the same process and at the same time as the election of Assembly Officers, over a 24-hour time period from 5 to 6 July. Note that only those Members officially assigned through the registration process to a specific General Committee will be able to vote in each of the General Committee elections.

Please note that signatures / signature forms sponsoring candidates will only be considered if submitted to the indicated email address: [tableoffice@oscepa.dk](mailto:tableoffice@oscepa.dk)

**PROVISIONAL RULES FOR EMERGENCY SITUATIONS/ONLINE MEETINGS DURING THE CURRENT COVID19 PANDEMIC:**

Article 1

Definitions; applicability of the existing OSCE PA Rules of Procedure

- a. The current OSCE PA Rules of Procedure apply mutatis mutandis to these emergency provisions, provided they do not contradict the purpose of the following simplified procedures.
- b. Definitions:
  - “Consensus Principle” refers to decision-making without a formal vote (no counting of for/against/abstentions). A consensus decision will be considered adopted if there is no objection raised.
  - “Silence Procedure” refers to a written form of decision-making by consensus. A subsidiary body proposes a decision to the main body in writing, setting a deadline. If – within the deadline – nobody objects, the decision will be considered as adopted.

Article 2

Meetings

- a. In principle, Assembly meetings as places for parliamentary interaction require the physical presence of members. Exceptionally, in a large-scale international emergency situation which prevents a significant number of members from travelling to the venue of a statutory meeting and/or prevents the host country from organizing the statutory meeting because of official security measures, the Standing Committee can declare an Emergency Situation by a consensus-minus one-decision of its members taken through the Silence Procedure. Once the decision is taken, the following rules apply to meetings of the bodies of the Assembly.
- b. Exceptional Session:
  - aa. An Annual Session that had to be cancelled shall be scheduled as an exceptional in-person meeting as soon as the obstacle for a physical meeting has been removed and based on the host Parliament's confirmation of its capacity to adapt in due time to all aspects deriving from this rescheduling, unless the next regular Annual Session is to take place less than six months after the removal of the obstacle.
  - bb. If such a Session cannot be held as an in-person meeting within six months after the decision it shall take place as a remote Session consisting of meetings of the Standing Committee, the three General Committees and one Plenary Session. The Agenda of the remote Session will consist of reports, topical debates and elections of Assembly and Committee Officers. Other decisions shall be limited to administrative issues and Questions of Urgency (Rule 26) with the following modification of Rule 26 Paragraph 1 Al. 2: Such questions of urgency must be pertinent to the OSCE process and relate to an event which has taken place or come to public knowledge less than twenty-four days before the date for which the regular Annual Session was scheduled or during the time of the emergency.
- c. Other meetings of the Standing Committee outside the Annual Session: The Bureau shall decide whether the Standing Committee can meet online in a video-conference.
- d. Bureau: If the Bureau is prevented from meeting physically because of the emergency, it may meet online at any time and take decisions through a show of hands. The same applies to the Bureaus of the General Committees.

- e. Other online events: In order to ensure the continuation of the inter-parliamentary dialogue, the Bureau may organize online events. These events shall not adopt political resolutions.

### Article 3

#### Emergency Leadership and Internal Elections

- a. If an Assembly Officer or the Officer of a General Committee has reached the end of his/her term while the Assembly is prevented from meeting, the Standing Committee shall have to decide whether and for which period of time elected Officers remain in place as acting Officers until the following Annual Session. The Standing Committee may also decide to replace Assembly or Committee Officers by appointing other members as Officers ad interim for the same period of time. In case of a vacancy in a Committee Bureau, the President may appoint a Vice President to take care of the vacant Committee Office; Rule 36 Paragraph 5 Al. 8 does not apply.
- b. Elections for all vacant positions that would have been up for election/re-election during the regular Annual Session will be held during the exceptional Session. The period from this election to the next Annual Session will not be counted for the maximum term of any Assembly office.
- c. Any electronic election procedure shall be subject to safeguards which allow for appropriate legitimation and provide the possibility for audit, while preserving the secrecy of the vote.

### Article 4

#### Emergency Decision-Making and Voting other than Elections

- a. Decisions shall be taken by the majorities provided for by the existing Rules of Procedure.
- b. The Silence Procedure is used where consensus (-Minus One) rules apply.
- c. Rule 34 (Quorum) applies. Electronic voting has to ensure that members from all participating States can participate during local daytime.
- d. Where the above emergency Rules provide for decision-making through a voting procedure, voting can take place by electronic means that are safe, allow for appropriate legitimation and provide a potential for audit.
- e. Upon request by ten percent of the members of the respective body, decisions taken through an emergency procedure require confirmation at the next in-person meeting of the same body.

**The President**

To: Members of the Standing Committee of the OSCE Parliamentary Assembly

18 March 2021

Dear Colleagues,

After consultation with the Romanian Parliament and our Assembly Officers, and as previewed during our Winter Meeting last month, I would like to inform you that, in the light of the ongoing challenges faced to the control the COVID-19 pandemic, the OSCE Parliamentary Assembly will be unable to hold a fully in-person Annual Session as planned for 2021. I would like to sincerely thank our colleagues and staff in the Parliament of Romania for their efforts in carrying out this project, unfortunately blocked by the pandemic. I am glad that they are considering using such efforts as a foundation for a future meeting of the OSCE PA in Bucharest in the very near future, as soon as the global health situation allows it.

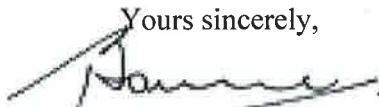

In line with article 2 of the recently adopted emergency provisions to the Rules of Procedure, I would ask the Standing Committee to declare an emergency situation and thereby cancel the Bucharest Annual Session. This decision is to be taken by consensus-minus-one through a silence procedure expiring on Friday 2 April 2021.

In the meantime, I wish to inform you that I have tasked the International Secretariat to explore options to ensure political decision-making and the holding of elections of Assembly and Committee Officers online this coming July, as well as the possibility of an in-person meeting of the Standing Committee in one of the two cities where the OSCE PA is headquartered. Secretary General Roberto Montella will report on this at the upcoming Bureau meeting on 19 April, which aims at reaching a final decision on the modalities of our annual meeting. All procedures will be then shared with the Assembly.

In order to guide Delegations through this unfamiliar process, please note the OSCE PA International Secretariat will organize a briefing and a question-and-answer session for Secretaries of Delegation at the end of April.

I thank you for your continued co-operation and commitment to the OSCE PA in these challenging times, and I look forward to seeing you in-person in a not-so-distant future.

Yours sincerely,

Peter Lord Bowness
