### WHAT?

A conference about why and how women and adolescent girls in all their diversities must be placed at the center of sustainable climate action and conservation.

### WHY?

We need to discuss how we ensure that women and adolescent girls get real opportunities to take lead in climate action in the most beneficial manner to them, their families and communities.

### WHOM?

Civil society organizations, decision makers, academia, private sector actors.

### WHEN?

Friday the 27th October, 12.30-3.00 pm,  
UN City, Copenhagen.
