WORLD BANK GROUP

Dear Honourable,

On behalf of the Parliamentary Network on the World Bank and IMF, it is my pleasure to announce that the 2024 Global Parliamentary Forum (GPF), jointly organised with the World Bank and the IMF, will be taking place **in-person in Washington D.C** on 15-16 April, ahead of the 2024 Spring Meetings (SMs). This year's overarching theme will focus on more coherent and sustained action to respond to the multiple global challenges.

The Forum represents a unique assembly of legislators and development partners and is dedicated to deliberations on crucial issues in international development. This year's Forum will focus on a number of pressing issues, including artificial intelligence, climate change, debt, gender, governance, as well as multilateral development efforts such as the IDA Replenishment and the IMF Resilience and Sustainability Trust.

Online registrations for the Forum will open on 20th February 2024. The International Secretariat of the Parliamentary Network will provide you with access to the registration form and send the event programme and other relevant materials in due course.
